Sitting on the doorstep of the house I can't afford  
I can feel you there  
Thinking of a reason, well, it's really not very hard  
To love you even though you nearly lost my heart  
How can I explain the meaning of our love?  
It fits so tight, closer than a glove

Sitting on a pebble by the river playing guitar  
Wond'ring if we're really ever gonna get that far  
Do you know there's something wrong?  
'Cause I've felt it all along

I can see your face in the mirrors of my mind  
Will you still be there?  
We're really not so clever as we seem to think we are  
We've always got our troubles so we solve them in the  
bar  
As the days go by, we seem to drift apart  
If I could only find a way to keep hold of your heart

Sitting on a pebble by the river playing guitar  
Wond'ring if we're really ever gonna get that far  
Do you know there's something wrong?  
'Cause I've felt it all along

Sitting in the valley as I watch the sun go down  
I can see you there  
Thinking of a reason, well, it's really not very hard  
To love you even though you nearly lost my heart  
When will we know when the change is gonna come  
I've got a good feeling and it's coming from the sun

Sitting on a pebble by the river playing guitar  
Wond'ring if we're really ever gonna get that far  
Do you know there's something wrong  
We'll stick together 'cause we're strong
