I talked to my baby on the telephone long distance
I never would've guessed I could miss someone so
bad, yeah
I really only met her 'bout a week ago
But it doesn't seem to matter to my heart I know
That I love her
I'm hoping that I'll never recover
'Cause she's good for me
And it would really make me happy
To never let her slip away

I feel like a kid with a teenage crush on a schoolday
I feel like the lead in Romeo and Juliet, yeah
I'm a little bit dizzy, I'm a little bit scared
I guess I never felt this much aware
That I love her
I'm hoping that I'll never recover
Alright, she's good for me
And it would really make me happy
To never let her slip away

Oh, I really only met her 'bout a week ago
But it doesn't seem to matter to my heart I know
That I love her
I'm hoping that I'll never recover
She's good to me
And it would really make me happy
Never ever slip away

Mmm, I love her
I'm thinking that I'll never recover
Yeah, she's good for me
I know it's gonna make me happy
To never let slip away, oh
I know it's gonna make me happy
To never let her slip away
