I talked to my baby on the telephone long distance  
I never would've guessed I could miss someone so  
bad, yeah  
I really only met her 'bout a week ago  
But it doesn't seem to matter to my heart I know  
That I love her  
I'm hoping that I'll never recover  
'Cause she's good for me  
And it would really make me happy  
To never let her slip away

I feel like a kid with a teenage crush on a schoolday  
I feel like the lead in Romeo and Juliet, yeah  
I'm a little bit dizzy, I'm a little bit scared  
I guess I never felt this much aware  
That I love her  
I'm hoping that I'll never recover  
Alright, she's good for me  
And it would really make me happy  
To never let her slip away

Oh, I really only met her 'bout a week ago  
But it doesn't seem to matter to my heart I know  
That I love her  
I'm hoping that I'll never recover  
She's good to me  
And it would really make me happy  
Never ever slip away

Mmm, I love her  
I'm thinking that I'll never recover  
Yeah, she's good for me  
I know it's gonna make me happy  
To never let slip away, oh  
I know it's gonna make me happy  
To never let her slip away
