You're just too good to be true  
Can't take my eyes off you  
You'll be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
Oh, I thank good I'm alive  
You're just too good to be true  
I can't take my eyes off you

Pardon the way that I stare  
There's nothing else to compare  
The thought of you leaves me weak  
There are no words left to speak  
I if you feel like I feel

So then let me know that it's real  
You're just too good to be true  
I can't take my eyes off you

Chorus (2x):  
I love you baby  
And if it's quite all right  
I need you baby  
To warm my lonely nights  
I love you baby  
Thrust in me when I say  
Oh pretty baby  
Don't bring me down I say  
O pretty baby  
Now that I found you, stay  
And let me love you  
Let me love you
