Oh baby it's been so long
I've waited so long
And now that I have you
I want you to come
Come come come into my arms
Oh baby I need you, I need you
Come, come, come into my arms again

Spirits move me
Every time I'm near you
Whirling like a cyclone in my mind
Oh sweet Peter, angel of my lifetime
Answer to all answers I can find

Baby, I love you, come, come
Come into my arms
Let me know the wonder of all of you
Baby, I want you now, now
Now, and hold on fast
Could this be a magic at last?

Baby, take me high upon a hillside
High up where the stallion meets the sun
I could love you, build my world around you
Never leave you till my life is done
Baby, I love you, come, come
Come into my arms
Let me know the wonder of all of you
And baby, I want you now, now
Oh now, oh now, and hold on fast
Could this be a magic at last?
Baby, I want you, come, come

Now come and hold on fast
Could this be a magic at last?
Could it be magic? yeah
Hold on, come into my arms
Could this be a magic at last?
Could it be magic?
Come, c'mon, c'mon, hey
Come into my arms
Oh, let me know the wonder of all of you

Baby, I want you now, now, oh now
Oh now and hold on fast
Oh, could this be the magic at last?
Could it be the magic?

Oh hold on to me
Don't let go
Come into my life
Don't let go
Oh
