Don't leave me this way
I can't survive, can't stay alive
Without your love, oh baby
Don't leave me this way, no
I can't exist
I'll surely miss your tender kiss
Don't leave me this way, hey

Aaah baby, my heart is full of love
And desire for you
Now come on down and do what you gotta do
You started this fire down in my soul
Now can't you see it's burning out of control

Come on and satisfy the need in me
'Cause only your good lovin' can set me free

Don't you leave me this way
Can't you understand I'm at your command
Oh Baby please don't leave this way
I can't survive, can't stay alive
Without your love
Don't leave me this way

(Repeat 2nd verse)
