I never knew love like this before
Now I'm lonely never more
Since you came into my life

You are my lovelight, this I know
And I'll never let you go
You my all, you're part of me

Once I was lost and now I'm found
Then you turned my world around
When I need you, I call your name

Chorus:

'Cause I never knew love like this before
Opened my eyes
'Cause I never knew love like this before
What a surprise
'Cause I never knew love like this before

This feeling's so deep inside of me
Such a tender fantasy
You're the one I'm living for

You are my sunlight and my rain
And time could never change

What we share forever more, ooh, hoo

I never knew love like this before
Now I'm lonely never more
Since you came into my life

(Chorus)

(Repete letra)

(Chorus)

'Cause I never knew love like this before
Inside of me I never (never)
Knew love like this before
Opened my eyes

Never (never), never (never)
Never knew love like this
(I never knew, I never knew I never)
Never (never), never (never)
Never knew love like this
(I never knew, I never knew I never knew) (3x)

Never (never knew), never (never)
Never knew love like this (opened my eyes)
Never (what a surprise)
