Someone found a letter
You wrote me on the radio
And they told the world just how you felt
It must have flogging out of a hole
In your old brown overcoat
They never said your name
But I knew who they meant

Oh oh oh

I was so surprised
And choked and I wondered too
If by chance you heard it for yourself
I never told a soul just how
I've been feeling about you

But they said it really loud
They said it on the air

On the radio
Whoa oh oh
On the radio

Don't it kind'a strike you said
When you hear our song
Things are not the same
Since we broke up last June
The only thing that I wanna hear
Is that you love me still
And that you think
You'll be coming home real soon

Whoa, oh oh

And it made me feel proud
When I heard you say
You couldn't find the words
To say it yourself
And now in my heart
I know I can say, what I really feel
'Cause they said it really loud
They said on the air

On the radio
Whoa oh oh
On the radio

I'm sending in a letter
To tell them that i love you too
If you hear it maybe you will know
When you hear them read the line
About love's returned on the radio
You'll think about the two of us
And you come home

If you knew just i felt
Why did you make me wait?
Life was on and on while
You played with my heart
Don't hold on any longer
Cause now i know how you really feel
Cause i heard it really loud
They said it on the air

If you think that love
Isn't found on the radio
Then tune right in
And you may find the love you lost
'Cause now I'm seating here
With a man I sent away a long ago

It sound it really loud
Thay said it really loud
On the radio
Whoa oh, oh
On the radio
