Baby I know you want to get high  
Well I won't cry  
If you get between my sheets  
Maybe bleed on me  
You can say you love me  
Over and over again  
I'll still be your friend  
But I'm not down with the dirty dog

You can blow your smoke right in my face  
And come three hours late  
You can steal my concept  
And drink my wine  
And break my shades  
You can flip me over from behind  
That would be alright  
But I'm not down with the dirty dog

I wanna see fears in your eyes  
When I draw the line  
I'm not down with the dirty dog
