Hitting the wall
Do it all night
I can't resist
I put up a fight
End of the page
Turn it around
I say okay
Maybe I'm wrong
And everything means nothing
But I gotta believe in something

I'll buy anything
That you sell me
I'll believe whatever you tell me
Don't let me down
I need you now
When inspiration fades
Don't leave me now
Please show me how
And send me on my way

Looking for words at the end of the road
Under a rock

I want to grow
Some angel wings
You know what I mean
And when we fly
It isn't a dream

And everything means something
I don't want to believe in nothing
I'll believe whatever you tell me
Baby history can't help me
Don't let me down
I need you now
When inspiration fades
Don't leave me now
Please show me how
And send me on my way
