Live in your dreams
You're shell-shocked when you're not sleeping
Making out with scars in your eyes
In total silence
Nothing to lose
Won't you turn to me
Ohhhh, don't walk away
Ooooooh, don't walk away

Your masterpiece
You saw it yesterday on TV
Can you see me mouthing your name?
Praying for the breakdown
When I will know what you really mean
Ohhhh, don't walk away
Ooooooh, don't walk away

It could be true
What you do to me
Don't really want to start a fire
Melt that frozen [?????]

Can you hear me mouthing your name
In total silence
Aching to go, I'm so afraid
Ohhhh, don't walk away
Ooooooh, don't walk away

Nothing to lose
Won't you turn to me
