Oh baby if only you knew  
I'm down to a hundred-and-two  
Oh baby if only you know  
Oh baby...

I had a hole in my heart  
So I threw away my plate  
'Cos nothing would fill me up  
Whatever I ate

Oh baby if only you knew  
I don't know what to do  
Oh baby if only you knew  
Oh baby...

Fading away  
'Cos there's nothing I can do  
I hate my self  
And I love you

Oh baby if only you knew  
Whenever I think I think of you  
Oh baby if you only knew-ew, yeah...

My-y-y-y-y-y baby  
I'm hungry  
Oh baby... X7
