Tell me something I really wanna know.
Take me somewhere I really wanna go.
Introduce me to someone really cool.
Not another crazy fool (crazy fool).

Feed me something hot enough.
Don't be afraid to treat me rough.
I just wanna be entertained.
I wanna feel alive again (alive again).

I walk around
This little town.
I spit on the ground
And wait for the sky to fall down.
Show me the way to the door.
Show me out 'cause i'm
So, so, so, so

Give me something to take away the pain.
Give me something that lets me sleep all day.
Play me some music that lifts me to my feet.
Not another ripped-off beat (ripped-off beat).

Take me to the ocean and leave me there.
Leave me all alone with the sun and the air.
I'll float around all day long.

It won't be long before I'm gone (I'm gone).

I float around.
I'm sinkin', sinkin', sinkin' down.
Feel like I'm gonna drown
In this stinkin' town.
Show me the way to the shore.
Throw me out 'cos i'm
So, so, so, so bored.

I think that I shall never see
A poem lovely as a tree.
A tree whose burning mouth is pressed
Against the earth's sweet flowin' breast.

I walk around
This little town.
I spit on the ground
And wait for the sky to fall down.
Show me the way to the door.
Show me out 'cause i'm
So, so, so, so, so, so, so, so bored.
