Stuck  
On a plane  
On a runway  
Cheap red eye  
It's a one-way

Getting back to you  
It takes forever  
Will I ever hit the sky?

I think  
I might  
Be in love with you

I think  
I might  
Be in love with you

Three  
Whole seats  
To myself  
I'll lie down  
And stretch out  
But I know that I won't sleep at all  
You're all I see when I close my eyes

I think  
I might  
Be in love with you

I think  
I might  
Be in love with you

I never had any reason not to roam  
But tonight it feels like I'm going home

I think  
I might  
Be in love with you

I think

I might  
Be in love with you

I think  
I might  
Be in love with you
