I don't wanna go to school today  
I don't wanna go  
I just wanna play guitar all day  
You act like you're the only one who has problems  
You act like you're the only one who's ever gotten  
strung out on pills, pills  
I don't wanna have to do the things that people have  
to do  
I'm not a person I'm just an object to you  
Like books and shoes  
You act like you're the only one with a chemical  
imbalance  
You're not the only one who's ever looked into a  
flash  
Stay awake  
Stay awake  
I don't wanna stay awake  
Don't wanna stay awake  
Stay awake  
Stay awake  
I'm gonna go to sleep  
Stay awake  
Stay awake  
I'm gonna go to sleep
