I did a stupid thing
I could've killed that girl
Her father spoke no English
But his hate was plain and I can't take it back
I can never go back
I didn't look both ways
When turning right on red
A split second's my undoing
I offered everything but I can't take it back
I can never go back
I can never go back
I can never go back
He had no sympathy
He had no sympathy
For my quiet tears of shame
Still I'm sorry when innocence is to blame

No no she said to him
I hate hospitals
I got finals in the morning
I am alright I think
I can't take it back
I can never go back
I can never go back
I can never go back

I did a stupid thing
I did a stupid thing
I did a stupid thing
I did a stupid thing
I did a stupid thing
I did a stupid thing
I did a stupid thing
I did a stupid thing
