"Until Tomorrow"

They've come to take you away
They've come to put me in my place
Angels are floating down the river
Today

It all happened too soon
On a muggy afternoon
I knew it would end but I'm not ready
To lose you

Heaven can
Wait until tomorrow
Give us this day
Just let me borrow some time
So we can say goodbye

I know that you've gotta go
There are so many things I want you to know
But I don't have to say it
I don't have to explain because you know

And maybe you wouldn't even care
But I feel the need to be there

To thank you for understanding
When I was scared

Heaven can
Wait until tomorrow
Give us this day
Just let me borrow some time
So we can say goodbye

I'm walking away
And when I reach the next stage
I'll be with him
We'll be celebrating

Heaven can
Wait until tomorrow
Give us this day
Please let me borrow some time

So we can say goodbye
