I feel funny  
Is it over?  
Am I dead or asleep on the sofa?  
Made in China for the masses  
IÂ'm cheap and plastic  
ThereÂ's millions of us, yeah  
You can buy me  
You can break me  
You can laugh but youÂ'll see itÂ's so easy  
What the fuck  
ItÂ's a miracle IÂ'm even here  
YouÂ're over me  
But IÂ'm alive  
What do I care  
Do you miss it  
Doing dishes  
IÂ'm amazed you donÂ't find me delicious  
Look at me there  
IÂ'm a rock star  
In my ??? you can see my blah blah  
Can you take it when I break it  
Give it back to the poseurs who fake it  
Suck the milk out of the lilacs  
You look so innocent you canÂ't go back  
What the fuck  
ItÂ's a miracle IÂ'm even here  
YouÂ're over me  
But IÂ'm alive  
So what do I care  
Standing in the cement  
Standing in the cement  
Standing in the cement  
Buried in that moment  
Standing in the cement  
Standing in the cement  
Standing in the cement  
Buried in that moment  
What the fuck  
ItÂ's a miracle IÂ'm even here  
YouÂ're over me  
I hate New York  
What do I care
