Old friend, I hear you  
I know just how you feel  
I've been in your shoes before  
I've seen your worries  
And I can understand  
Everything you goin' through

And I believe in you  
Your time is coming  
Don't give up tonight  
There's a life ahead  
Your time is coming  
Don't let go tonight

My friend, I've listened  
Things only can improve  
You have all the time in the world  
So keep on fighting  
And never let them say  
There's anything that you can't do

'Cause I believe in you  
Your time is coming  
Don't give up tonight  
There's a life ahead  
Your time is coming  
Don't let go tonight

I watched as you sat  
With a cigarette in your hand  
Holding a drink in the other  
Trying to drown all your pain

I believe in you  
Your time is coming  
Don't give up tonight  
There's a life ahead  
Your time is coming  
Don't let go tonight  
Don't let go tonight  
Don't let go tonight

Old friend, you'll realize  
Good things are worth the wait  
Enjoy the times that you have  
You'll see a new day  
When darkness fades again  
And the sun can rise to shine

And I believe in you  
Your time is coming  
Don't give up tonight  
There's a life ahead  
Your time is coming  
Don't let go tonight
