I'm burning the candle at both ends while holding it
under water.
I'm looking with tunnelvision, and I'm bleeding to make
this all worthwhile.
I know it seems to never end- this way I've made it.

Repeating, repeating.
I'm burnt out, burnt out on everything.
Repeating, over again.
Burn out, burn out on everything.
Will this end?

I want to be honest but I can't.
I'll tell you that everything's all right.
I'm looking for time to find myself with all of this
madness in my life.
I know it seems to never end- this way I've made it.

Repeating, repeating.
I'm burnt out, burnt out on everything.
Repeating, over again.
Burn out, burn out on everything.
Will this end?

I'm burning the candle at both ends.
I'll tell you that everything's all right.
I'm burning the candle at both ends.
I'm bleeding to make this all worthwhile.
I'm burning the candle. I'm burning the candle at both
ends.
Will this end?
Repeating, repeating.
I'm burnt out, burnt out on everything.
Repeating, over again.
Burn out, burn out on everything.
This will end.
