It's almost laughable how life tends to spit us out
After beating us down like it did before
It's almost laughable how it rains and pours again
As we stand here soaking it all in

Well, if this is how life is
I won't back down from this, anymore

Don't hang me out to dry, I'm not all right
But I'm not stopping now
(I'm not stopping now)

Don't turn the music down, it's not all right
But you can't stop me now
And this is how life is

It's kind of laughable how life tends to spit us out
After beating us down like it did before
It's finally laughable how it rains and it pours again
I just stand here soaking it all in

Well, if this is how life is
I won't back down from this, anymore

Don't hang me out to dry, I'm not all right
But I'm not stopping now
(I'm not stopping now)

Don't turn the music down, it's not all right
But you can't stop me now
And this is how life is

No one's gonna break me down
If I can get away with it
No one's gonna count me out
If I can have my way with this

No one's gonna tell me how
I should be afraid of this, afraid of this

So don't hang me out to dry, I'm not all right
But I'm not stopping now

(I'm not stopping now)

Don't turn the music down, it's not all right
But you can't stop me now
Don't hang me out to dry, I'm not all right
But I'm not stopping now

Don't turn the music down, it's not all right
But you can't stop me now
And this is how life is
