#### VERSE 1:

We've been going down this road for some time  
And I don't know where this is going  
Even though I've been watching all the signs  
I don't know where this is leading

Wondering why it's been taking so long  
And I've been feeling kind of low  
But You tell me that I need to hold on  
To Your promise, that You're in control

#### CHORUS:

We are in better Hands  
Than our own  
Than our own  
We don't need to see  
Before we  
Before we believe

#### VERSE 2:

I look outside the window anticipating  
The coming of a new day  
You said it's coming  
I know it's on it's way

Wondering what is in store for the both of us  
And if it's what we're hoping for  
Then You remind me that I don't have to be afraid  
That You'll never let me down because you're in control
