[Words by: Julianne Tarroja]

[VERSE 1]

I'm stronger than before  
Stronger than I'll ever be  
And I raise my eyes to the One  
The One who made me see  
All what I thought was lost  
But now is found  
And I'm grateful

[VERSE 2]

Grateful for the day  
You called my name  
Ever since You walked into the door  
It's never been the same  
Mornings are brighter now  
I'm not afraid  
And I wake up each day  
With a smile on my face

[REFRAIN]

Coz I've been in places  
Where I couldn't even see

The light of day  
And then You came

[CHORUS]

I'm grateful  
You showed me the way back to my beautiful

[VERSE 3]

Everything seems different now  
Things are turned inside out  
With a new pair of senses to go with around  
It doesn't even matter  
If I'm up or down

[VERSE 4]

Blues are bluer  
Smiles are brighter

It draws a tear whenever  
I watch the sunsets paint the sky  
I don't even mind walking under the rain  
I never laughed like this before  
And I'm gonna say it once more
