[Words & Music by: Julianne Tarroja]

[VERSE 1]

Watching you across the room
Hoping you would catch my eye
Don't you know it's to you
I wanna give this smile to

[VERSE 2]

You go to and fro
And it amazes me
How your mere presence here
Awakens something inside of me

[Refrain]

Still I keep it to myself
Hesitating
But I can't help but wonder
What all this could bring
Holding on to my seat
As I watch it all begin
Might be falling head over heels
Again

[Chorus]

Coz you bring out the queen in me
When you're around
Don't wanna be scared of the
Possibility that
Something beautiful
Could be found

[VERSE 3]

Coz I've been waiting for somebody like you
To come my way
And I've been on my knees
Asking if this is all ok

[VERSE 4]

I don't wanna get ahead
Of myself again
Throwing too much in the air
Making sure that He puts

The pieces together
Coz I know I'm being prepared
For the right time
