[VERSE 1]

Baby look into my eyes
Can you see what I see
If you look and try to find
Then you'll know what I mean
Baby listen to the song
Let me make you feel
What you make me feel inside

[VERSE 2]

Darling to you realize
What you've been to me
Coz you truly satisfy
All my needs and more
Every beat of my heart
Calls for you
You're the rhythm
In the song of my heart

[CHORUS]

And I wanna say thank you
Coz no one has ever loved me this way

Thank you
Coz you turn my night into day
Thank you
For every sweet memory
That we've been through
Thank you

[VERSE 3]

Honey you've always tried
To make everything right
Just one of your smiles
Can make everything tight
Oh how I love it
When you tell me how you love me baby
With this I'm A ok

[VERSE4]

Sugar you're so fine
You make everything rhyme
Like L-O-V-E
You and me
Forever I know
This is gonna be
Boy your sublime
Not otherwise
