[Words and Music by: Julianne Tarroja]

[VERSE 1:]

Do I have to lose you now
So I can gain you some other time
Do I have to take a bow
End the show before the curtain call

[VERSE 2:]

Do I have to look the other way
Coz we just got too much to say
Did it even have to be like this
For you and I, I wanna know why

[Refrain:]

Even if I know what I've been told
To let go means to surrender my control
But it isn't easy to have loved and not survive
Was it for the wrong reason?
Or maybe the wrong season

[CHORUS:]

Coz I wanted this love to grow
I wanted to see it soar
I wanted to give a chance for the Sun
To kiss our eyes
So maybe we could see the light

Behind our hearts desires

[VERSE 3:]

Do I have to be broken one last time
So I can be made whole again
Do I have to be chastised
To be saved and rescued from the fire

[VERSE 4:]

Do I have to be reminded of all this
That I didn't even own a thing to begin with
No right to claim
No right to put the blame
On anyone or anything

[VERSE 5:]

Do I have to watch you go ahead
Leaving me with out a word said
Do I even get the opportunity to say my plea
I hope now you're hearing me

[OUTRO:]

I wanted to see the light
I wanted you to see the light
I wanted us to see the light
... Open up your eyes time
To open up our eyes...
