I've always been the kind of girl that hid my face  
So afraid to tell the world what I've got to say  
But I have this dream right inside of me  
I'm gonna let it show, it's time to let you know, to let you know

This is real, this is me, I'm exactly where I'm suppose to be now  
Gonna let the light, shine on me  
Now I've found who I am, there's no way to hold it in  
No more hiding who I want to be, this is me

Do you know what it's like to feel so in the dark?  
To dream about a life where you're the shining star  
Even though it seems like it's too far away  
I have to believe in myself, it's the only way

This is real, this is me, I'm exactly where I'm suppose to be now  
Gonna let the light, shine on me  
Now I've found who I am, there's no way to hold it in  
No more hiding who I want to be, this is me

You're the voice I hear inside my head, the reason that I'm singing  
I need to find you, I gotta find you  
You're the missing piece I need, the song inside of me  
I need to find you, I gotta find you

This is real, this is me, I'm exactly where I'm suppose to be now  
Gonna let the light shine on me  
Now I've found who I am, there's no way to hold it in  
No more hiding who I want to be, this is me

You're the missing piece I need, the song inside of me  
You're the voice I hear inside my head, the reason that I'm singing  
Now I've found who I am, there's no way to hold it in  
No more hiding who I want to be, this is me, yeah
