We both lie silently still  
In the dead of the night  
Although we both lie close together  
We feel miles apart inside

Was it something I said or something I did  
Did my words not come out right  
Though I tried not to hurt you  
Though I tried  
But I guess thats why they say

Chorus:  
Every rose has its thorn  
Just like every night has its dawn  
Just like every cowboy sings his sad, sad song  
Every rose has its thorn

Though its been a while now  
I can still feel so much pain  
Like a knife that cuts you the wound heals  
But the scar, that scar remains

I know I could have saved a love that night  
If Id known what to say  
Instead of makin love  
We both made our separate ways

But now I hear you found somebody new  
And that I never meant that much to you  
To hear that tears me up inside  
And to see you cuts me like a knife  
I guess

Chorus
