Bed, Bed I couldn't go to bed
My head's too light to try to set it down
Sleep, Sleep I couldn't sleep tonight
Not for all the jewels in the crown

I could have danced all night
I could have danced all night
And still have begged for more
I could have spread my wings
And done a thousand things
I've never done before

I'll never know
What made it so exciting
Why all at once,
My heart took flight

I only know when he
Began to dance with me
I could have danced danced danced!
All night.

It's after three now

Don't you agree now
She ought to be in bed

I could have danced all night
I could have danced all night
And still have begged for more
I could have spread my wings
And done a thousand things
I've never done before.
I'll never know
What made it so exciting.
Why all at once my heart took flight.
I only know when he
Began to dance with me.
I could have danced, danced danced all night!

I understand, dear.

It's all been grand, dear.
But now it's time to sleep.

I could have danced all night,
I could have danced all night.
And still have begged for more.
I could have spread my wings,
And done a thousand things
I've never done before.
I'll never know
What made it so exciting.
Why all at once my heart took flight.
I only know when he
Began to dance with me
I could have danced, danced, danced
All night!
