He was her man, she was his wife
And late one winter night
He knelt by her
As she gave birth
But it wasn't his child
It wasn't his child

Yet still he took him as his own
And as he watched him grow
It brought him joy
He loved that boy
But it wasn't his child
It wasn't his child

Mary, did you know
That your baby boy will one day walk on water?
Mary, did you know
That your baby boy will save our sons and daughters?
Did you know
That your baby boy has come to make you new?
This child that you've delivered
Will soon deliver you

But like a father
He was strong and kind and good
And I believe he did his best
It wasn't easy for him
But he did all he could
He grew up with his hands in wood
And He died with his hands in wood
He was God's child
He was God's child

The blind will see
The deaf will hear
And the dead will live again
The lame will leap
The dumb will speak
The praises of the Lamb

Mary, did you know
That your baby boy is Lord of all creation?

Mary, did you know
That your baby boy will one day rule the nations?
Did you know
That your baby boy is heaven's perfect Lamb?
This sleeping child you're holding
Is the great I am

He was her man, she was his wife
And late one winter night
He knelt by her
As she gave birth
But it wasn't his child
Mary, did you know?
It wasn't his child
Mary, did you know?
It was God's child
It was God's child
It was God's child
