She climbs a tree and scrapes her knee  
Her dress has got a tear  
She waltzes on her way to mass  
And whistles on the stair  
And underneath her wimple, she has curlers in her  
hair!  
I've even heard her singing in the Abbey!  
She's always late for chapel  
But her penitence is real  
She's always late for everything  
Except for every meal!  
I hate to have to say it, but I very firmly feel,  
Maria's not an asset to the abbey!  
I'd like to say a word in her behalf  
(Then say it Sister Margaretta)  
Maria makes me laugh!  
How do you solve a problem like Maria  
How do you catch a cloud and pin it down  
How do you find a word that means Maria?  
A flibberty-gibbet  
A will o' the wisp  
A clown!  
Many a thing you know you'd like to tell her  
Many a thing she'd ought to understand!  
But how do you make her stay  
And listen to all you say?  
How do you keep a wave upon the sand?  
Oh, how do you solve a problem like Maria?  
How do you hold a moonbeam in your hand?  
When I'm with her, I'm confused  
Out of focus and bemused  
And I never know exactly where I am!  
Unpredictable as weather  
She's as flighty as a feather  
She's a darling  
She's a demon  
She's a lamb  
She'd out-pester any pest  
Drive a hornet from his nest  
She could throw a whirling dervish out of whirl  
She is gentle, she is wild

She's a riddle, she's a child  
She's a headache, she's an angel  
She's a girl!  
How do you solve a problem like Maria  
How do you catch a cloud and pin it down  
How do you find a word that means Maria?  
A flibberty-gibbet  
A will o' the wisp  
A clown!  
Many a thing you know you'd like to tell her  
Many a thing she'd ought to understand!  
But how do you make her stay  
And listen to all you say?  
How do you keep a wave upon the sand?  
Oh, how do you solve a problem like Maria?  
How do you hold a moonbeam in your hand?
