Saying I love you
Is not the words I want to hear from you
It's not that I want you
Not to say, but if you only knew
How easy it would be to show me how you feel
More than words is all you have to do to make it real
Then you wouldn't have to say that you love me
'Cause I'd already know

How I love the way you move
And the sparkle in your eyes
There's a color deep inside them
Like blue suburban skys

I don't need to be the king of the world
As long as i'm the hero of this little girl

Heaven isn't too far away
Closer to it every day
No matter what your friends say
I know we're gonna find a way

More than words (words) is all you have to do
to make it real
and all you have to say

Heaven isn't too far away
Heaven isn't too far away
Heaven isn't too far away

'Cause I'd already know

Saying how I love you
