Look at me, I can't believe I finally made it here
Feeling like I'm where I belong singing my hallelujah
song
Hard to find, took some time but I think that I might be
hittin'
On what's been missin' all along singing my hallelujah
song

It's a highway sliding through a Sunday afternoon
It's a snapshot, smilin' like we ain't got nothing to lose
It's the peace in knowin' that love is gonna be gone
someday
That you only get more when you give it away

Look at me, can't believe I finally made it here
Feeling like I'm where I belong, singing my hallelujah
song
Hard to find, took some time but I think that I might be
hittin'
On what's been missin' all along singing my hallelujah
song
(Hallelujah)
(Hallelujah)
(Hallelujah)

It's a sweet prayer knowing someone's up there
hearing me
Divine punchlines take a little time but I'm getting it
Life is more than just how many breaths you take
And the moments that take your breath away
Baby, take my breath away

Look at me, can't believe I finally made it here
Feeling like I'm where I belong singing my hallelujah
song
Hard to find, took some time but I never would've
found myself
There were angels helpin' me all along singing my
hallelujah song

(Hallelujah)
My hallelujah

(Hallelujah)
My hallelujah
(Hallelujah)
Singing my hallelujah song

(Hallelujah)
Oh yeah
(Hallelujah)
Oh yeah
(Hallelujah)

(Hallelujah)
(Hallelujah)
