I'm a dancer
And I move to the rhythm of the music
Oh, it carries me away

Yes I'm a dancer
I was born to live this life
I did not choose it
And when the song begins to play
Oh please, please
Will you dance with me?

And I'm a dreamer
Oh, my head is in the clouds
I keep believin'
They really do come true

A rainbow chaser
And in the end I know that all the love I needed
I will find it here with you
So please, please
Will you dance with me?

Baby can you hear the melody?
I swear I've never heard a sound so sweet
Makes me wanna take your hand
For when a girl hits the floor
I've never felt like this before

I'm a lover
Of all things everywhere
God set in motion
Like a sun and moon and stars

Our lives together
We'll rise and fall like the waves that pull the ocean
If you take me in your arms
So, please, please
Will you dance with me?
(Will you dance with me)
Oh, please
Will you dance with me? Ooo
