Another day has gone
Another day has flown away
I sing another song
I sing another song today

I've got so many places to go
I sing another song today

So many times I'm wrong
So many times I'm right to be
But I've got so many ways I could be
So many ways to be wrong

I guess I'll sing a different song

Tomorrow..
Yeah yeah yeah
Tomorrow..
Yeah yeah yeah

I watch the same old show
And I still play the part I know
We sing the same old song
Like we've done for far too long

But I've got so many ways I could be
So many ways to be wrong

I guess I'll sing a different song

Tomorrow..
Yeah yeah yeah
Tomorrow..
Yeah yeah yeah

And I..
Don't wanna sit and wait
And watch my life pass by
And I..
Don't wanna give it up
And know I didn't try

I wanna fly

I guess I'll sing a different song

Tomorrow..

Yeah yeah yeah

Tomorrow..

Yeah yeah yeah
