"Go With God"

Farther than lands you have ever imagined
Deeper than even the oceans of blue
An open horizon is waiting like morning
Waking the dreamer who's living in you
So now go with the wind at your back
And the sun on your face
With a song in your heart
And the promise of grace
Go in peace and in truth
And let love lead your way
Go with God
Go with God
Stronger than will in the soul of a fighter
Higher than hope in the heart of a child
There is a longing, a yearning inside us
That's reaching for heaven and won't be denied
If you go with the wind at your back
And the sun on your face
With a song in your heart
And the promise of grace
Go in peace and in truth
And let love lead your way
Go with God
Go with God
Go with the wind at your back
And the sun on your face
With a song in your heart
And the promise of grace
Go in peace and in truth
And let love lead your way
Go with God
Go with God
Go with God
