You say you wonder how it is and what I feel like  
You say you wonder if we've gone wrong  
Don't you remember what it is to feel right  
If you don't remember think I could remind you  
That I'd never be the same  
No, my life would be a game without you  
I'd never be the same  
If you were gone (repeat)

You say you wonder if we'll make it through another  
night  
You say you wonder what world we're on  
Don't you remember what it is to feel right  
If you don't remember think I could remind you  
That I'd never be the same  
No, my life would be a game without you  
I'd never be the same

(chorus)

Yeah, when you are here  
Something inside me is so real  
And everything about me is just a lot of fun  
Just a lot of fun  
Oh, when you're here  
Like it or not, yes, I feel  
And everything around me is just a lot of fun  
It's just a lot of fun

You say you wonder how it is and what I feel like  
You say you wonder what world we're on  
Don't you remember what it is to feel right  
If you don't remember think I could remind you  
That I'd never be the same  
No, my life would be a game without you  
I'd never be the same

(chorus)
