You and me, we're like the fire in the trees  
We're like the pollen in the breeze  
Summer with a freeze, you and me  
Just you and me, we're like the fire in the trees  
We're like the pollen in the breeze  
Summer with a freeze, you and me

There is something you should know  
Something you should think about  
Where you wanna go? Do you want me in or want me  
out?  
I got stuff to do that's got nothing to do with you  
I wanna let you know, I'm really very tired of

You and me  
(I want you to come close)  
We're like the fire in the trees  
(I want you to come close)  
We're like the pollen in the breeze  
Summer with a freeze, you and me  
(I want you)  
Yeah yeah

Well there is something you should know, baby  
Something you should think about  
Where you wanna go? Do you want me in or want me  
out?  
I got stuff to do that's got nothing to do with you  
I wanna let you know, I'm really very tired of

You and me  
(I want you to come close)  
We're like the fire in the trees  
(I want you to come close)  
We're like the pollen in the breeze  
Summer with a freeze, you and me  
(I want you to come close)

I know that yesterday is over, today I gotta deal with  
How tomorrow might suck  
Suck if you don't understand the way it oughta be  
It's got a lot to do with me

I wanna let you know I'm really very tired of

You and me  
(I want you to come close)  
We're like the fire in the trees  
(I want you to come close)  
We're like the pollen in the breeze  
Summer with a freeze, you and me  
(I want you to come close)  
Oh oh oh oh oh  
You, me, you, me, you and me, you and me  
Yeah you and you and you

You, me, I want you to come close  
We're like a cracker without cheese  
I can never get close enough to you  
The pollen in the breeze  
Summer with a freeze, baby you and me, yes  
(I want you to come close)

Just you and me  
(I want you to come close)  
Oh the fire in the trees  
(I want you to come close)  
We're like the pollen in the breeze  
Summer with a freeze, you and me and you and me,  
yeah  
(I want you to come close)  
Yeah, you and me, yeah  
You and me, yeah
