Crazy world  
Full of crazy cotridictions  
Like a child  
First you drive me wild  
And then youll win my heart  
With your wicked heart  
One minute tender  
Gentle  
Then temprementle  
Like a summer storm  
Just when I believed your heart is getting warmer  
Your cold and your crule  
And I like a fool  
Try to cope

Try to hang on to hold  
Crazy world  
Everyday the same old roller coaster ride  
But ive my pride  
I wont give in even though I know Ill never win  
Oh how I loved this  
Crazy world  
But Ive got my pride  
I wont givein even though I know Ill never win  
Oh how I loved this  
Crazy world
