I have dreamed  
That your arms are loving  
I have dreamed  
What a joy you'll be  
I have dreamed  
Every word you'll wisper  
When your close  
Close to me  
How you look  
In the glow of evening  
I have dreamed  
And enjoyed the view  
In these dreams I've loved you so  
That by now I think I know  
What it's like, to be loved by you  
I will love being loved by you  
Alone and awake  
I've looked at the stars  
The same that smiled on you  
And time and again  
I've thought all the things  
That you were thinking too  
I have dreamed  
That your armes are lovely  
I have dreamed  
And enjoyed the view  
In these dreams I've loved you so  
That by now I think I know  
What its like  
To be loved by you  
I will love being loved by you  
I will love  
Being loved  
By you
