Living in the shadows  
Hiding from the sunlight  
Hiding from the one light  
That might help to guide you  
Hiding from tomorrow  
Hiding from the day  
Only brings a sorrow  
That wont go away  
Wandering in the darkness  
Living every midnight  
Doesn't ever ridnight  
Of nightmares as love might  
Life is full of dangers  
Strangers every turn  
Living in the shadows  
There is no way to learn  
The more you learn  
The more you seek  
The more you find  
The more you care  
The more the world is kind  
One thing i can tell you  
Life should be a lover  
Help you to discover  
Your reason for being  
Soon you will be seeing  
What your all about  
Living in the shadows  
You'll never find out  
Living in the shadows  
I'll never find out
