Its...

Supercalifragilisticexpialidocious!
Even though the sound of it
something quite atrocious
If you say it loud enough you'll
always sound precocious
Supercalifragilisticexpialidocious!
Um diddle diddle diddle, um diddle ay!
Um diddle diddle diddle, um diddle ay!
Um diddle diddle diddle, um diddle ay!
Um diddle diddle diddle, um diddle ay!

Because I was afraid to speak when
I was just a lad
Me father gave me nose a tweak
and told me I was bad
But then one day I learned a word
That saved me achin' nose
The biggest word you ever heard
And this is how it goes: Oh!

Supercalifragilisticexpialidocious!
Even though the sound of it
something quite atrocious
If you say it loud enough you'll
always sound precocious
Supercalifragilisticexpialidocious!
Um diddle diddle diddle, um diddle ay!
Um diddle diddle diddle, um diddle ay!
Um diddle diddle diddle, um diddle ay!
Um diddle diddle diddle, um diddle ay!

He traveled all around the world
And everywhere he went
He'd use his word and all would say
"There goes a clever gent"
When Dukes and Maharajahs pass the
time of day with me
I say me special word and then
they ask me out to tea. Oh,

Supercalifragilisticexpialidocious!
Even though the sound of it is
something quite atrocious
If you say it loud enough you'll
always sound precocious
Supercalifragilisticexpialidocious!

Um diddle diddle diddle, um diddle ay!
Um diddle diddle diddle, um diddle ay!

Of course you can say it backwards though
Which is docious-ali-expi-istic-fragi-cali-rupus
But that's going a bit too far, don't you think ?
Indubitably!

So when the cat has got your tongue
There's no need for dismay (here, here)
Just summon up this word And then you've got a lot to
say
But better use it carefully Or it may change your life
ah..for example (yes)
One night I said it to me girl
And now me girl's my wife!
And a lovely thing she is too, hehehe
She's.....
Supercalifragilisticexpialidocious!
Supercalifragilisticexpialidocious!
Supercalifragilisticexpialidocious!
Supercalifragilisticexpialidocious!
