(Bobby)

Listen baby to my plea
won't you come dancin' with me
be my baby and say yes
or else I'm done for I guess

(Maisie)

To dance with you is thrilling
to my poor ego

(Bobby)

So baby say your willing to
shake a leg-o

Won't you charleston with me?
Won't you charleston with me?
And while the band is playin' that
old voodo, around we will go.
together will show them
how the charleston is done
We'll surprise eveyone.
Just think what heaven is gonna be
If you will charleston,
charleston with me.

(Maisie)

Won't you charleston with me?
Won't you charleston with me?
And while the band is playin' that
old voodo, around we will go.
together will show them
how the charleston is done
We'll surprise eveyone.
Just think what heaven is gonna be
If you will charleston,
charleston with me.

(Together)

Won't you charleston with me?
Won't you charleston with me?

And while the band is playin' that
old voodoo, around we will go.
together will show them
how the charleston is done
We'll surprise everyone.
Just think what heaven is gonna be
If you will charleston,
charleston with me.
