Never tryed to keep you
Never tryed to call
Never tryed to huck up
Never tryed to be the one for you

Never tryed to find you
Never tryed to hunt you down
Never tryed to make you love me

Ooh, oh but my dear friend
I've missed you so, oh
Ooh, oh my dear friend
I've missed you so

Never tryed to have you
Never tryed to kiss
Never tryed to touch you
Never tryed to take you away from her

Never said a word
Never hung on
Never bodered you
Never told you how much I care

Ooh, but my dear friend
I've missed you so, oh
Ooh, oh my dear friend
I've missed you so

Never tryed to call
Never tryed to reach
Never tryed to see me
Never wondered what happened to your dear friend

Did you ever care?
Did you wanna share?
Are you even there?
Will you wherever hear this and remember?

Ooh, but my dear friend
Tell your jealous wife I just want to be your friend
Ooh, oh my dear friend I'll miss you so, I'll miss you so
