there goes the dark horse leaving the stage with my
baby.
and there goes the dark horse leaving this place
without me. n
ow i'm writing you from montreal to tell you that i don't
belong here.
i'm writing you from montreal.
bye bye.

well you're a pretty nice kid
and i wanna know what made you think you could make
it in a place like this,
a place like this. you're feeding your kids among all
these pirates.
you're feeding your kids the best that you can with
what you've got.
and now i'm writing you with all my heart to tell you that
i don't belong here.
i'm writing you from all my heart.
bye bye.
bye bye.

so there goes the dark horse leaving my life forever.
and there goes the dark horse leaving this life forever.
and now i'm writing you with all my heart to tell you that
i'm coming home.
and i'm writing you from all my heart.
bye bye.
bye bye.
bye bye.
