Did you hear me when I told you how I felt?
Did anybody hear me at all?
Did you see the way I looked when I fell down the
steps?
Did anybody see me fall at all?
I don't know if I can make it
I don't know if I will at all
Don't really know how to take it
I sort of hope no one knows at all
They know it all

Did you see the way I grew when I got smaller?
Did they even say I got too small?
Did you know the way I felt when I didn't notice?
Did you even think I didn't believe it all
I don't know if I can make it
I don't know if I will at all
I don't really know how to take it
I sort of hope no one knows at all
They know it all
