Your hand is perfumeey and white
Touching my face and I am teary-eyed
I can still see you shake
My arms are shaking, my fingers are numb
I can barely coordinate myself
Use your hands for me

Everytime things go so well
Think of all the things that have gone this wrong
Timing's never been worse

Your hair is sparkling white

All covered in snow and mildly cold tonight
Move the hair from my face
My glasses are foggy and broken
My eyesight is worsening in this dark
Tell me what you see

Everytime things go so well
Think of all the things that have gone this wrong
Timing has never been worse.
