Me and my friend, we are not friendly anymore
We have not talked for so long
And if we had to talk, what could we say, sitting side by
side
So long ago, we were dancing and singing
We could be together saying nothing
So long ago, it all meant much more than this
The pond, it seems so quiet tonight
And the swans are all huddled together
Well I sound alone here on my way home, again when
no one is there waiting
So long ago we were dancing and singing
And it all meant something
So long ago, me and my friend we were friendly
And now we don't see each other no more.
