what a foolish thing i've done, to lose the only one.
what a foolish thing i've done, to lose the only one who
really knows me at all, who really knows me at all. well,
i lied and i cheated and i died and i quit. and i tried to
be good but wasn't very good at it. and i lost at this
game of life. well, i lost at this game of life. well, i
made promises and i broke 'em. and second chances,
well, i smoked 'em. and all those songs that i sung,
well, now i know they were wrong. and now i'm taking
them all back. well, i'm taking them all back. well, my
life, it's a lie. this life, it's a lie. my life, it's a lie. this life,
it's a lie. and now we're saying goodbye and now we're
saying goodbye. well, i don't wanna say goodbye. well,
i wish there was something i could do to prove my love
to you. maybe this is the end. well, i hope it's not the
end.
