(B  same mucho)
(Love me forever and make all my dreams come true)

B  same, b  same mucho
Each time I cling to your kiss, I hear music divine
B  same, b  same mucho
Hold me my darling and say that you'll always be mine
This joy is something new
My arms enfolding you
Never knew this thrill before
Whoever thought I'd be
Holding you close to me
Whispering "It's you I adore"

Dearest one
If you should leave me
Each little dream would take wing, and my life would
be through
B  same, b  same mucho
Love me forever and make all my dreams come true

(B  same mucho)
(Love me forever and make all my dreams come true)
